

# *Mayor's Anti-Drug Coalition*

*Celebrates*

*"Recovery Day Awareness"*  
*September 22, 2009*

September is National Alcohol and Drug Addiction Recovery Month. In honor of this, the Mayor's Anti-Drug Coalition is recognizing all the collective efforts that our community puts forth into achieving recovery from substance use disorders. From health care professionals, to employers and insurers, to our faith based counseling, to community and family members. All which offer acceptance and encouragement. Meaningful recovery often involves an encompassing group of caring individuals who support recovery.

Please consider this your personal invitation to join us in celebration.
